## **Benefits of yoga**

1. Yoga teaches us to focus on the present moment and to let go of stress and negativity. This, in turn, **helps us find peace and harmony in our lives.**
2. Yoga's holistic approach emphasizes the well-being of individuals and the planet. This **aligns with the principles of Sustainable Development.**
3. Yoga's principles of non-violence, compassion, and respect for all living beings **align with the broader goals of global peace and tranquillity.**
4. Selfless, cleansing, freeing, balancing, inspiring, and peaceful interconnectedness with all life around them.
5. Nourished in the company of other yoga practitioners, by offerings of love, and the understandings they give rise to.
6. Heightened sensitivity and awareness of all life around us and within us, and an outpour of love in reciprocation with life's wonder and beauty.
7. Fearless, illuminating, and a journey that does not end with death.
8. Intimate connection with the whole universe, with eternal realms even beyond the universe.
9. Pure, determined force that moves us toward the mysterious and secret, and connects us with the wonderfulness of existence, of being and of all life.
10. It is not just a way of life but also a powerful means to maintain mental and physical being.

All ISM practitioners of the country have very actively participated in IDY activities since, 10 years. Now as the countdown to IDY 2025 begins you are requested to remain committed to spreading the message of yoga across the society and inspire the public to embrace this timeless practice for a healthier-happier world.

On the occasion of IDY 2025 it is proposed to organize and participate in different signature events such as Yoga Demonstration, special yoga programs for children and senior citizens, yoga with plantation of trees- clean-up drives, attract young people to yoga, workshops, seminars, exhibitions etc. and other outreach programs.
